

Company Profile

“Illuminate your environment with LED lights of impeccable style”

Ecolux facilitates the diverse lighting needs of people by offering an enormous array of LED luminaries. The LED lights of the company are designed specifically to meet the high standards of architectural quality and we have multiple options for both outdoors or indoors as well as Industries. The quality of our LED lights is equally matched by our commitment of maintaining exceptional customer service.

Ecolux was founded in 2012 with the goal to present new possibilities of illumination for houses, apartments, offices, commercial establishments, Industries, etc. Our commitment to quality and tireless efforts has taken our company to new heights beyond our wildest imaginations. Today, we have more than hundred employees with twelve qualified people leading our responsibilities of research & development. Also, our manufacturing facility covers a massive 25,000 sq. ft area which helps the functions of our five separate production lines in use.

As a company situated in India, with Make in India initiative of Govt., Ecolux is dedicated to serving the unique interests of Indians with numerous, intuitively developed LED lighting options. Our commitment to quality and uncompromising service standards have also helped us earn ISO 9001-2000 certification of quality.

Vision of Ecolux

Our vision is to be an ultra-modern enterprise that delivers LED lights as per the needs of our clients at a faster pace. Thus, we have been able to deliver high-quality LED lights consistently for many years with a reputation for faster delivery of High quality products. Also, we have been commended for our efforts to develop new designs that earn the love and respect of our clients.

Our emphasis on customization and adherence to modularization make our facility a workshop for dreamers. Our multi-faceted approach to manufacturing LED lights gives us the opportunity to deliver high-affordable lights with unmatched quality.

Research & Development

“Quality is the cornerstone of our R & D”

Our team of Research & Development has helped us to reach the place we are now through constant innovation and consistent improvements. Our R & D efforts are intended to make our company the epitome of quality. Also, we combine our tireless efforts with our elaborate 25 years of experience in the fields of Electronics, Product Design, Industrial Design, Quality Management system and so on. To deliver LED lights that exceed your expectations we have a decade-long experience in developing the most.

So, when you take the decision to choose one or more of our products, you will also be making the choice to uphold quality, experience, and appeal for your indoor and outdoor necessities.

Dear Sir,

I With reference to your Application, we are pleased to inform you that it has been decided to grant you license as per details given below :

Product Category :	LED Flood Lights
Product Name :	LED Flood Lights
IS NO. :	IS 10221(PART 5)SEC.5: 2013
Brand (As Declared by Manufacturer) :	SUNDO

Manufacturing & Innovation Center

“We bridge the gap between the designs you love and the quality you deserve”

We are gifted with a team of dedicated and highly-talented individuals that have a colorful experience in the industry. Thus, they play a major role in keeping our drive for innovation alive, helping our organization to work and grow together as a team.

Also, we keep constant tabs on technological advancements, so that we can always stay one step ahead of the necessities and interests of our clients. Our manufacturing and designing segments are retrofitted with cutting-edge tools and software systems, time and time again. So, from the time of our founding, our LED lights have always been a symbol of quality and endearment.

Designs of Ecolux exhibit stellar quality and precision, and our design facility embraces the most advanced tools and techniques to aid effective measurement, simulation, and validation. In this way, our new designs are analyzed and authenticated stringently in terms of accuracy, safety, and overall quality. So, when a product leaves our facility after passing through our rigorous testing measures, it is bound to be immaculate. Also, we bring swiftness and quality together with our 3-D Printing facility that is situated in-house, thereby fulfilling customer expectations with unmatched speed.

RETAIL LIGHTING

Flat Panel Light

Code	Wattage (W)	Colour Temperature	Dimension (mm)		
			Cut Out Size	Outer Size	Height
ER001	12W - 15W	3000K - 6500K	126 X 126	140 X 140	30
ER002	18W - 20W	3000K - 6500K	144 X 144	160 X 160	30
ER003	24W - 30W	3000K - 6500K	172 X 172	185 X 185	30

Cylinder Light

Code	Wattage (W)	Colour Temperature	Dimension (mm)	
			Outer Size	Height
ER004	10W - 15W	3000K - 6500K	75 X 150	150
ER005	20W - 25W	3000K - 6500K	100 X 150	150
ER006	30W - 36W	3000K - 6500K	100 X 200	200

Zoom Light

Code	Wattage (W)	Design	Colour Temperature	Dimension (mm)		
				Cut Out Size	Outer Size	Height
ER007	30W - 50W	ZOOM RECTANGLE (4 X 6")	3000K - 6500K	135 X 220	145 X 235	100
ER008	10W - 15W	COB ZOOM ROUND	3000K - 6500K	95 X 95	110 X 110	55
ER009	20W - 27W	COB ZOOM ROUND	3000K - 6500K	123X 123	132 X 132	108
ER010	30W - 36W	COB ZOOM ROUND	3000K - 6500K	139 X 139	145 X 145	147
ER011	30W - 50W	COB ZOOM ROUND	3000K - 6500K	180 X 180	190 X 190	135

Fixed Down Light

Code	Wattage (W)	Colour Temperature	Dimension (mm)		
			Cut Out Size	Outer Size	Height
ER012	7W-10W	3000K - 6500K	60	70	58
ER013	12W-15W	3000K - 6500K	72	82	68
ER014	18W-24W	3000K - 6500K	96	106	88
ER015	30W-32W	3000K - 6500K	107	114	100
ER016	36W-45W	3000K - 6500K	114	119	110

Tiltable Downlight

Code	Wattage (W)	Colour Temperature	Dimension (mm)		
			Cut Out Size	Outer Size	Height
ER017	3W - 7W	3000K - 6500K	52	59	35
ER018	7W - 10W	3000K - 6500K	64	70	58
ER019	12W - 15W	3000K - 6500K	75	83	68
ER020	18W - 24W	3000K - 6500K	105	112	82
ER021	30W - 32W	3000K - 6500K	123	132	100
ER022	36W - 45W	3000K - 6500K	139	145	105

Vertical Track Light

Code	Wattage (W)	Colour Temperature	Dimension (mm)		
			Height	Width	Length
ER023	18W - 30W	3000K - 6500K	160	90	125
